

RESTORATIVE HOSPITALITY

Opening. Rebuilding. Transforming.

People-first hospitality leadership for businesses in transition.

Creating environments where teams leave service as delighted as the guests they have served.

ABOUT

Restorative Hospitality is a boutique consultancy supporting hospitality businesses through periods of change, growth and transformation.

Founded by hospitality leader Richard Welnitschuk, Restorative Hospitality combines operational expertise with a people-centred approach to leadership, culture and performance.

Whether launching a new concept, rebuilding a team, stabilising operations or delivering long-term transformation, our focus remains the same:

Helping hospitality businesses create environments where people thrive and performance follows.

We believe exceptional guest experiences are created by exceptional teams.

When people feel valued, trusted and connected to a shared purpose, sustainable commercial success becomes possible.

OUR SERVICES

OPENING

Building the foundations for successful launches.

For new venues, experiential concepts and multi-site operations preparing to launch.

- Full pre-opening recruitment, leadership and team onboarding
- Development of SOPs, compliance, health & safety, reporting and operating systems
- Multi-week training academies, media and soft launch programmes
- Coordination with build teams, designers and contractors
- Labour modelling, rota design and workforce planning
- Guest journey design and service standard implementation

REBUILDING

Restoring confidence, culture and performance.

For businesses facing cultural challenges, operational inconsistency or declining performance.

- Cultural diagnostics and leadership coaching • Team restructuring and recruitment of key roles • Operational audits and system stabilisation • Implementation of operational and reporting systems • Guest experience recovery and service realignment • Hands-on leadership presence to stabilise operations

TRANSFORMING

Creating sustainable long-term growth.

For businesses seeking strategic growth and operational evolution.

- Multi-year cultural and operational transformation strategies • Integration of systems and systemic change • Long-term financial performance improvement and GP optimisation • Leadership development and coaching • Estate-wide service and guest journey redesign • Support with capital investment and long-term planning

INTERIM LEADERSHIP

Experienced leadership when it matters most.

- General Manager cover • Operations Director support • Regional operational leadership • Opening leadership • Transformation project leadership • Executive mentoring and succession support

LEADERSHIP THROUGH TRANSITION

Richard Welnitschuk has spent more than fifteen years leading luxury hotels, premium restaurants, experiential concepts and large-scale hospitality operations.

Throughout his career he has repeatedly been trusted to lead organisations through periods of growth, change and transformation.

Experience includes leadership positions with:

- The Peligoni Club • Gleneagles • F1 Arcade • Tattu • Rick Stein Restaurants

His leadership philosophy is shaped by a simple belief:

Exceptional hospitality begins with exceptional teams.

By creating environments where people feel valued, trusted and connected to a shared purpose, organisations can achieve lasting cultural and commercial success.

PURPOSE, VISION & VALUES

PURPOSE

To create hospitality environments where people feel valued, inspired and connected to a shared purpose.

VISION

A hospitality industry where people genuinely matter.

An industry where every individual feels safe to be heard, appreciated for their contribution and inspired to grow.

An industry that embraces innovation, technology and change not to replace human connection, but to strengthen it.

VALUES

Integrity Trust is built through honesty, consistency and accountability.

Sincerity We lead with authenticity, empathy and genuine care.

Restoration We believe every team and organisation has the capacity to grow.

Warmth Hospitality is ultimately about human connection.

Curious Intelligence Progress comes from combining experience with curiosity.

LET'S START A CONVERSATION

Whether you're opening a new venue, rebuilding a team or navigating operational change, we'd welcome an initial discussion.
